

STAND UP MOBILE | VOLUNTEER WORKSHEET TO GET OUT THE VOTE

Track Your Network

You have the power to talk with people in your network – whether it be family, friends, colleagues, community/faith groups, and social media platforms – about the importance of voting in the November 5, 2024 election. This is your sphere of influence. Who are you bringing to the polls with you? Use the diagram below to brainstorm where you can have an impact in getting out the vote.

Ways to engage your network: share info and resources, post on social media, have 1:1 conversations, get involved together, VOTE!

14 Weeks to Win: Make Your Action Plan

What are 1-2 actions you can take each week to get out the vote? Whether it be volunteering, engaging your network, or making a donation, every action you take makes a difference. Together, with collective action, we can protect our freedoms and save democracy.
